I would like to thank all the dancers and parents who have continued to support the studio during this pandemic. You do not know how appreciative I am for all of you.

None of us have ever dealt with anything comparable to this global pandemic. I am so proud of the dancers finishing their dances by Zoom. That is not easy to do, especially the youngest dancers. I had to rearrange the dance schedule and you were all so cooperative with this too. It wasn't easy for any of us but as a family we made it work!

I refused to not have a final recital performance for the dancers. They DESERVE it! Nothing is normal right now but this recital is as close as we could do! We are so blessed with this beautiful venue that made this recital even possible!! **We can be socially Dis-Danced!**

Thank you also to the teachers that Zoomed their classes for us. I can't say thank you enough!

Please enjoy our reimagined 2020 performance and **"Be Kind"**

SENIORS

Katrina Eberding

Hi, my name is Katrina Eberding, and I am a recent graduate of Normal Community High School. I have been dancing at Stacy's for 11 years and have competed with Stacy when I was in 4th grade until the end of my freshman year of high school. My favorite dance style is musical theatre, but I love all types of dance. I loved helping with the little kids for the two years that I did it. I am very thankful for all the staff I have worked with over the years and wouldn't be the dancer I

am today without them. Thanks to them, I am planning to continue dance in college recreationally or apart of a club. My time at Stacy's is very special to me because I found a hobby that I absolutely adore and have made some amazing friends along the way. I am planning on attending the University of Missouri, majoring in Psychology. I hope to continue my journey in dance as it is something I could never give up. I am so sad to say goodbye after all these years but thank you everyone for making my time here amazing.

Carly Fisher

My name is Carly Fisher and I am a senior at Normal Community High School. I have been dancing at Stacy's for 15 years and was on the competition team for 4 years! I was also a member of the NCHS dance team for the past 4 years in addition to taking classes at Stacy's! Growing up at Stacy's Dance Factory has taught me hard work, dedication, confidence, and allowed me to form a bond with all of my teachers along the way. I have spent countless hours training and working to be the best dancer

I could be, and I wouldn't have been able to do that without Stacy. She has been a mentor, a teacher, and I can always look to her for new dance techniques, but more importantly, I can go to her for personal

advice as well. Being a dancer at Stacy's Dance Factory has shaped me to be the dancer I am today. I am forever grateful for the friendships I have made through the competition team as well as classes. I feel blessed for all of the memories and connections I have been able to make through my time at Stacy's. I couldn't have done it without Stacy, Maggie, Sherise, Lauren and Jenna. Thank you for putting up with me and being amazing people to look up to. Next year I will be obtaining my Associates Degree in Business at Heartland Community College where I will be able to graduate with this degree in one year. After Heartland, I will transfer to a four year university to study Fashion Merchandising and Business Administration. I would like to continue my dance career and hope to involve myself at Heartland and then also at the college I transfer to after that. Thanks for letting me live out my dream for the last 15 years.

Kendall McPherson

My name is Kendall McPherson and I am a senior at Normal Community High School. I have danced at Stacy's Dance Factory for 13 years and I was on the competition

team for 6 years. I will forever be grateful for the opportunities I've had because of dance. Taking classes at the Broadway Dance Center in New York and performing in the Disney Christmas parade are just a few of the memories that I will never forget. I am so thankful for Stacy, Maggie, Sherise, Natalia, Lauren, Jenna, Sammi, and the many other teachers and choreographers who I have had the opportunity to work with. Next year I will be attending the University of Arizona to major in nursing. I am excited to start a new chapter in my life but will always remember my time at Stacy's Dance Factory!

Abby Naden

My name is Abby Naden, and I am a recent graduate of University High School. I began dance lessons with Stacy when I was three, but I like to think that my debut in the dance factory was in the 2002 mom's tap class when my mother performed onstage while 7

months pregnant with me. All joking aside, dance has been the source of many lessons, friends, and memories that I hold dear. I am always thrilled and delighted by the many ways dance impacts performers and audiences alike. No doubt, this has impacted my career path. I will be pursuing a BFA in Musical Theater as well as a minor in dance at the Dobbins Conservatory at Southeast Missouri State University. There are so many people I have to thank for who I am today, but nothing can express the gratitude I have for Stacy who has molded me into a strong, capable, and daring performer. Thank you for your hundreds of hours of training and pep-talking. I never would have gotten to where I am without you. Thank you, thank you, thank you!

Shae Simmons

I have been part of Stacy's Dance Factory for 8 years and on the competition team for 7. The studio has gifted me with several opportunities -- performing in the magnificent mile parade, taking classes from several unique choreographers, and forming heartwarming friendships with both older and younger dancers. Stacy's has shaped me into the person I am today through confidence, the ability to adapt quickly, how to be a teammate, and how to connect with those around me. I have taken one class or another

over the years from every teacher at the studio, and I thank all of you for helping me grow. Stacy, you have been more than my dance teacher as a wonderful role model and person that has made a significant

impact on my life. In the fall I will be attending Purdue University to major in film and video with the hopes of visually bridging our diverse world.

**Thank You for coming to support our
talented & dedicated dancers!
And THANK YOU to the Desi and the staff of
“The Hesed House”**

A very blessed thank you to all the students, their parents, my friends and family and anyone who has been a part of our studio family this year. We have had many challenges this year but together we did the best we could! I am so proud of all of you. And NEXT YEAR we will have so many new opportunities, God willing.

I am blessed to have been teaching for 37+ years in Bloomington/Normal. I wish all my students and especially my graduating seniors best of luck in what’s ahead for you. Thank you for allowing us to be part of your lives. You mean so much to all of us at the Dance Factory.

Reminder: Summer classes begin Tuesday, July 14!
