**Dedication:** *This year's show is dedicated to Olivia Orwig. Many of you know of Olivia but many more know of her mom Merle. Merle has been an integral part of our office staff for many years, She has volunteered for everything over the past 18 years and never lets us down. Olivia was unfortunately taken from us unexpectedly in November, Her kind heart and support of everyone is really missed. We know she's in a better place and spending time with my dad and her grandparents. All are dance-loving people and are missed every day. We love you Olivia, Merle, Doug, Josie and Meg.*

## **Senior**

Hi! My name is **Mari Watkins**, and I graduated from Normal Community High School this year. I've been dancing at Stacy's since I was three years old, and I've dance for NCHS for the past three years, I've tried many styles such as ballet, tap, jazz, hip hop, lyrical, and modern. My parents have been huge supporters in my academic and athletic endeavors. From driving me to practices to getting me ready before performances, my mom has been very involved in my dance career. My dad pitched in too when he watched the entirety of Dance Moms with me. I'm so grateful they've supported me and allowed me to grow as a person and dancer. My teachers and coaches over the years have also been amazing. Especially in these last few years, I've learned so much through studio dance and my team at NCHS. Stacy, thank you for trusting in me since day one. Jenna, thank you for keeping me from giving up when it got hard. Coach Ewalt, thank you for showing me that dance is so much more than performing a routine. In the fall, I will be attending the University of Manchester in England to study Psychology. While I won't dance for their school team, I'll continue dancing recreationally. Once you get roped in this much to a sport, you never really get out. Dance has been one of the best parts of my life, giving me amazing memories, friends, and values. Thank you to everyone who has been a part of this journey.

*Thank You*

**THANK YOU** to all of our wonderful dancers this year. It has been wonderful to have you back in the studio this year! Thank you for being patient with all of the changes in this last year. You have been gracious, patient and understanding.

**THANK YOU** to all of the parents and grandparents who have supported your kids in the awesome art form of dance. Your dedication to your children is admirable.

**THANK YOU** to all of the teachers who have dedicated so much time and effort to bring dance to all of these families. I could not do this without you.

*Keep  
on
