

Recital Information sheet 2018

Dress Rehearsal: **Saturday, June 9 at 9:00am.**

Performance: **Saturday June 9 at 4:00 pm.**

At **BRADEN AUDITORIUM** on the ISU campus

Important Information:

1. The dress rehearsal is a full dress-costume and makeup. The required tights and shoe color are written on the costume posters in the hallway.
2. Each family will receive 2 wristbands for the dress rehearsal. These allow 2 adults into the rehearsal- to help get the dancer ready, take photos etc. The dancers do not need one. Anyone entering (outside of the two wristbands) will be charged admittance.
3. Tickets are available beginning May 1st at Braden Aud.-through their box office. They are \$16. They can also be purchased through ticketmaster but that adds an additional fee. These are reserved seat only. Everyone needs a ticket except the dancers. The back 2 rows are reserved for the dancers to sit. If you prefer them to sit with you, they would need a ticket. This cuts down on the amount of people getting up and down during the performance.
4. There will be a professional photographer there on Saturday 8:30-12:00. Forms are available in the office if you are interested.
5. No photography or video is allowed during the performance. If the ushers see you doing this they will take your camera or ask you to leave. This is for the protection of all dancers and choreographers. Crystal Falls will be professionally recording again this year. Orders can be made through them the day of the performance at Braden.
6. A pdf of the program will be available on our website by June 1st. There are no programs at the rehearsal.
7. When entering Braden you will need to check in at the table in the East lounge. The dressing rooms are on the next level down through the lounge.
8. Most costumes are in. Please check the notes posted for pick up days.
9. Flowers will not be available at the performance this year.
10. Dancers need to be there on the rehearsal for their numbers only. You can estimate the time by figuring on 2 ½ min per dance. There will be some competition dances skipped however.
11. You are responsible for having your child dressed and ready in the dressing room. The backstage staff will then take them to get them lined up. Please come and get your dancer after they are done performing.

Thank you for giving us the opportunity to teach your child this year. They are truly blessings in our lives. Let's have a great performance!
